Design Characteristics

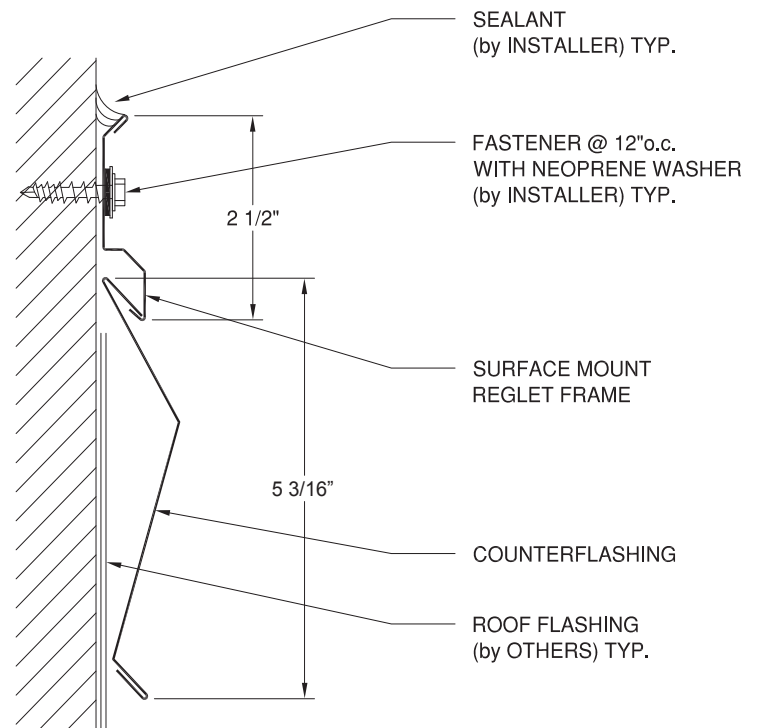

- Surface mounted reglet is designed to be installed on any type of parapet wall
 - Attached with fasteners 12" o.c., sealed with neoprene washers
 - Factory punched slots allow for thermal movement
- Masonry mounted reglet is specially manufactured for masonry applications
 - Reglet is inserted into masonry joints and fixed as the mortar cures, eliminating any openings where water could penetrate

Materials Availability

- Galvanized steel
 - Kynar®-painted, 24 and 22 gauge
- Aluminum
 - .032, .040
- Copper
 - 16 ounce
- Stainless steel
 - Mill finish, 24 and 22 gauge
