

The **Madonna Pro Active Health Center** in Lincoln Nebraska provides the precise environment for individuals recovering from medical procedures. **Perform-A-Deck DTA** featuring a highly reflective finish and smooth appearance provides the interior of the building a fresh and invigorating feel. The comfortable environment is a direct result of the sound reducing properties of the Martin Deck Solution.

**Architect:** Enwright Associates (Greenville, SC)  
**GC:** Sampson Construction (Lincoln, NE)

**Performance Inspired Solutions.**
