IMETCO Declaration # MWPRS-001

Metal Wall Panel and Roof Systems by Innovative Metals Company, Inc. conforms to the following product content restrictions per the:

LIVING BUILDING CHALLENGE RED LIST - Effective April 2024

For the listed products, the materials were screened by name or CAS RN, as documented in the attached Health Product Declarations (HPDs).

Latitude	Legacy	Element
PermWall	7.2 Rib	Cor-Pan
R-Panel	FW Series	SP Series
Coping	ZIP-RIB	Series 300
Batten-Tite	PermLok	SS Panel
TwinLok / FlushLok		

Innovative Metals Company, Inc. (IMETCO) self-declared material statement following ISO-17050-1:2004, General Requirements for a Conformity Assessment. All raw materials were inventoried to 100 ppm (0.01%) and then screened for prohibited substances using the HPD Builder and Toxnot software per the International Living Future Institute's Red List requirements. The Health Product Declarations (HPDs) are attached for reference.

These products DO NOT contain any substance/chemical listed on the LBC Red List:

Chemicals were screened by name or CAS RN, per the document
LBC_v4.0_Red_List_CASRN_Guide_April_2024

Sincerely,

Q. Jonnie Hasan, PE
VP of Business and Product Development
